PATIENT AUTHORIZATION
TO USE AND DISCLOSE PROTECTED HEALTH INFORMATION (PHI)

I authorize Quest Diagnostics to use and/or disclose my protected health information (for example, my laboratory test results, billing information and/or other related medical information, including but not limited to results such as HIV, sexually transmitted infections, and alcohol and drug abuse treatment records) (PHI) as specifically identified below, to the person(s) named in this request. I understand that this Authorization will expire when Quest Diagnostics has provided the requested information.

I authorize attorney(s) and their legal staff, as well as appropriate Quest Diagnostics workforce members, to use and/or disclose my PHI in accordance with this Authorization.

This use and/or disclosure of my PHI is at my own request. I understand that the information used and/or disclosed pursuant to this Authorization may be re-disclosed by the person or party receiving it; in that case, the information may no longer be protected under federal privacy law.

Notice to the patient:
If we are requesting this Authorization from you for our own use and disclosure or to allow another healthcare provider or health plan to disclose information to us:

- We may not condition our provision of services to you on the receipt of this signed authorization except if you are participating in a research project;
- You may request a copy of the PHI to be used or disclosed;
- You may refuse to sign this Authorization;
- We must provide you with a copy of the signed Authorization, upon request;
- This Authorization only covers PHI that is used or disclosed by Quest Diagnostics. The information could be redisclosed by the person(s) who receive it and, in that case, your PHI will not be protected by the HIPAA privacy and security rules: and
- You have the right to revoke this Authorization at any time, provided that you do so in writing, except to the extent that we have already relied on this Authorization to use or disclose your information.
